#### Crabbottom Locals.

It seems that our last letter got mislaid, somewhere and somehow. It contained some new railroad news and the marriage of Mr Isaac Hinkle of Pendleton and Mrs Phebe J. Nicholas of this county, by Rev. J. M. Eavey.

We noted the presence of our genial editor and Mr John A White law sojourning 'mong our quiet hills and fishing streams. (No such luck for the editor.)

Messrs I Roy Waggoner and M A Colaw left Monday for Roanoke, to attend the Republican convention which convenes on the 21.

Our beloved Pastor, Rev Jacob M Eavey of the M E Church, South died at the parsonage at this place Aug 16th at 12 m.

He was 40 years old, a native of Rockingham county, and a faithful preacher in the Baltimore Conference for twelve years or more. He leaves a host of friends, a sorrowing wife, and five small children to mourn their loss. His mother, brother and four sisters, survive him. Miss Fannie was the only one of his family present when the Angel of Death came to bear his spirit home.

He had been sick with fever for a month and was doing very well up to last Saturday 'week when he took very much worse. Several physicians were hastily summoned in consultation and every effort made to successfully fight the disease but in vain. He requested to be buried here and said he had made his peace with God years ago and quoted in his dying moments part of the 23 Psalm—"The Lord is my shepherd, etc."

He was a kind and loving husband, an affectionate father, an excellent, good man and faithful pastor. His spirit with all its rugged honesty and homely beauty was triumphantly carried by the great cloud of witnesses, into the beautiful city of David.

His sublime faith and devotion to God, through all his afflictions, caused the troublesome ills of this world to cease, as the heavenly visions of the New Jerusalem came most beautifully in view.

In death all are equal, there is neither rich nor poor, rank nor station in the republic of the grave. At this fatal threshold the child ceases to cry and the adult is mournfully silent, while humanity ceases from her unrequited toil in the realms of death. Still, "he that believeth in me though he were dead yet shall he live; And whosoever liveth and believeth in me shall never die."

Revs. Schooley of Franklin, Merrill and Ruff of Monterey, McNeil of Green Bank, Beverage, Brill, Snapp and Carson of this place, were present and assisted in conducting the burial services.

His remains were laid to rest in the Wimer Cemetery 'mid the largest concourse of people ever witnessed here, to pay the last tribute of respect to the deceased.

Just one week before on the same day and hour, Mabel, the sweet little child of Mr and Mrs Aca C Corbin quietly fell asleep in the Arms of Him who said: "Suffer the little children to come unto me and forbid them not for of such is the kingdom of heaven." WISE.

#### Jacksons River Items.

PINE GROVE, Aug. 19th 1901.—We are having plenty of rain and hay making is a slow go.

Bad colds and gripe are with us. We are getting along nicely with our churches, will soon have three in half a mile of each other—have lumber on kiln for the Union church. The Catholic church is completed and will be dedicated this fall. The Presbyterian church nearing completion. It has been talked around that the Dublin people stole some of the lumber of the Presbyterian church, which we deny, neither will they steal the Bible out of the church as some have predicted. They are poor but all have Bibles of their own.

If some of our people don't stop it, we believe we will at last get a railroad.

We notice our worthy road com'r passing over the roads frequently, also the contractors, but the roads seem to be in very bad condition. Where is the road law? X.

#### A Good Word for Highland.

A recent issue of the Weekly Record, published at Harrisonburg, gave an account of a trip taken by one of its correspondents through Highland and Pendleton counties. The part relating to Highland is presented in the following complimentary words:

In arriving at McDowell and not being met by Milroy and his army, we were straightway lodged at the Bradshaw House. Here we spent a very pleasant night.

Wednesday we drove to Monterey, the prettiest and busiest little town in Highland County. There seemed to be an air of business about Monterey that suggests the building of a railroad through that town in the near future.

Thursday and Friday we spent in Crabbottom, the great grazing region of Highland. The people were in the midst of their hay harvest, while their cattle were grazing fat on the blue grass of a hundred hills. We were very hospitably entertained by Mr E F Celaw, of Crabbottom, a former student of West Central Academy. Here we indulged our sense of the beautiful and sublime by visiting the "Devils Backbone" and the "Gulf."

#### Do You Know

That there are more people humbugged in buying jewelry than in any other line?  
That in its sale through the regular retail store, larger profits are made than on any other line?  
That lately I have completed an arrangement by which I can furnish you anything in the jewelry line from the smallest scarf pin to the finest watch or clock?  
That I have from 3 or 4 leading wholesale jewelry houses of this county, their latest catalogues, which represent so accurately the immense line carried by each, that to look through them is equal to a personal visit to the most elegant jewelry store in the land?  
That if you will look at my catalogues, give me your order for any article you desire, you will be convinced that it is a satisfactory, safe and cheap way to buy jewelry?  
That I can buy as cheaply as the retail man, that I have no store to keep up, no money invested in stock, no clerks to pay, am satisfied with a small profit, and for these reasons can make you prices that when compared with the figures at the regular jewelry store, are ridiculously low?

If you do not know call at the Postoffice and I will be pleased to inform you of these

#### Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.  
Fill a bottle of common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do.  
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidney, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Sons of Swamp-Root, Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.
